

Bed of roses (Bon Jovi)

[Intro]

Bb F Bb F (2x)

[Verse 1]

Bb
Sitting here wasted and wounded
F
This old piano
Bb
Trying hard to capture the moment
F
This morning I don't know
Am Bb
'Cause a bottle of vodka is still lodged in my head
F
And some blond gave me nightmares
Bb
Think she's still in my bed
Bb C F
As I dream about movies they won't make of me when I'm dead

[Verse 2]

Bb
With an ironclad fist
F
I wake up, and French kiss the morning
Bb
While some marching band keeps its own beat
F
In my head while we're talking
Am Bb
About all of the things, that I long to believe
F
About love, the truth, what you mean to me
Bb
And the truth is
Bb C F F C C*
Baby, you're all that I need

[Refrain 1]

Dm Dm C Bb F
I wanna lay You down in a bed of roses
Dm Dm C Bb F
For tonite I sleep on a bed of nails
Bb F
Oh, I want to be Just as close as
Bb F Dm C Bb Bb
The Holy Ghost is And lay you down
Bb Bb* F
On a bed of roses

[Verse 3]

Well I'm so far away
Step that I take is on my way home
King's ransom in dimes
Given each night to see through this payphone
Still I run out of time
Or it's hard to get through
Till the bird on the wire
Flies me back to you
I'll just close my eyes, whisper
Baby, blind love is true

[Refrain 2]

[Bridge]

Well this hotel bar hangover
Whiskey's gone dry the barkeeper's wig's crooked
And she's giving me the eye
I might have said yeah
But I laughed so hard I think I died, uh yeah!...

[Solo]

Dm C Bb F (3x)
Dm C Bb Bb Bb* F

[Verse 4]

Now as you close your eyes Know I'll be thinking about you
While my mistress she calls me To stand in her spotlight again
Tonight, I won't be alone But you know that don't mean I'm not lonely
I've got nothing to prove for it's you That I'd die to defend

[Refrain 3]
