

## SHE HATES ME

E A F# B

Met a girl , thought she was grand.

E A F# B

Fell in love , found out first hand.

E A F# B

Went well for a week or two

E A F# B

Then it all came unglued

E A F# B

In a trap , trip I can't grip

E A F# B

Never thought I'd be the one who'd slip

E A F# B

Then I started to realize

E A F# B

I was livin one big lie

E A F# B

She fucking hates me, trust

E A F# B

She fucking hates me, la la la love

E A F# B E A

I tried too hard and she tore my feelings like I had none

F# B

and ripped them away!!

She was queen for about an hour

After that she got sour

She took all I ever had

No sign of guilt, not feeling bad nooooooooo!!

In a trap , trip I can't grip  
Never thought I'd be the one who'd slip  
Then I started to realize  
I was livin one big lie

### **Chorus**

### **Gitarrensolo (=1xChorus)**

That's my story, as you see  
Learned my lesson and so did she  
Now it's over, and I'm glad  
'Cause I'm a fool for all I've said

She fuckin' hates me  
Trust  
She fuckin' hates me  
La, la, la love  
I tried too hard  
And she tore my feelings like I had none  
And ripped them away

La, la, la, la, la, la, la, la love Trust  
La, la, la, la, la, la, la, la love Trust  
La, la, la, la  
And she tore my feelings like I had none  
Trust  
She fuckin' hates me
